

The Client – Designer Relationship

ASSESSMENT # 6

Total Marks: 30

Q.1. Short Questions:

(24)

- i. How is the survey started when visiting a client for the first time?
- ii. If the client is not clear about what they want, what would you do as a designer?
- iii. How is a commercial brief different from a residential brief?
- iv. What is the fact-finding process? What sort of information does it include?
- v. What is preliminary research? Is it required for a residential project or not?
- vi. What does a design analysis consist of?

Activity

(06)

- Prepare a briefing questionnaire.
