

ASSESSMENT # 5**Total Marks: 30**

Please answer the following questions:

1. Strategic and successful system integration can be beneficial in a variety of ways. Discuss the main benefits of security system integration, from the perspective of a modern business.
2. One of the most important of all system integration opportunities is that of linking a CCTV system with other elements around the premises. Explain why this is the case, providing examples of how a CCTV system can and should be linked with other elements.
