

Please answer the following questions:

- 1. Above all else, nothing matters more than prioritising your own health and safety. What can a traffic controller do to stay safe on the job?*
- 2. Two vehicles have collided on or close to your business premises. There are no major casualties, though one of the drivers appears to be trapped inside their car. Provide a step by step account of what you would do, if you were the first person to arrive on the scene.*
