

ASSESSMENT # 4

Total Marks: 30

Answer the following questions:

1. Where a child is capable of forming their own views and opinions, they are legally entitled to participate in the process of determining the appropriate interventions and support needed to ensure a quality education. Discuss why this is considered so important.
2. The process of obtaining the views of children and young people with special educational needs can be challenging. Explain why this is the case, along with what kinds of steps should be taken to ascertain the views, preferences and opinions of pupils with special educational needs.
