

ASSESSMENT # 3**Total Marks: 30**

Please answer the following questions:

1. Even the simplest of games and activities can make a significant contribution to a child's development over four key developmental areas. Name these four developmental areas and provide examples of activities or games that may contribute to each of them, along with explanations as to why you chose them.
2. The key to success as a caregiver lies in combining sensitivity with responsiveness. Discuss what this means and provide examples of both sensitivity and responsiveness in a childcare context.
