

ASSESSMENT # 4

Total Marks: 30

1. Which types of materials should be chosen to dress a thinner person? And when choosing a striped print, which type of stripes would you recommend for dressing a thinner person? (5)
2. How would you design a dress for a person with a large waist and hips? Which design techniques would you apply? (5)
3. A person with stout figure must never try wearing a dress which is too tight for him/her. Discuss this here. (6)
4. How would you design a dress for a person with round shoulders, so that the roundness is least noticeable? (6)

Activity

Make a collage of pictures from a magazine with people wearing dresses unsuitable for their figures. For each picture, explain how this could have been designed better for that person's figure. (8)
