## Course Introduction:

With the increasing level of prosecution for financial fraud, the demand for forensic accountants has been growing rapidly. BOLC Diploma in Forensic Accounting has been designed to provide knowledge, skills and professional insight necessary to handle the challenges of investigating fraud and other aspects of white collar crime and financial disputes. The course concentrates on the core skills required to identify, detect and prevent fraud.

No previous knowledge in accounting is required to join this course. It means that the course is not restricted to chartered accountants. The programme is ideal for anyone who wishes to practice in the area of investigative and forensic accounting.

“The college was recommended to me by one of my colleagues who completed Forensic accounting diploma with BOLC. My experience with the college is again wonderful and I have no hesitation to recommend this course to anyone interested to start a career in forensic accounting.”
